Math

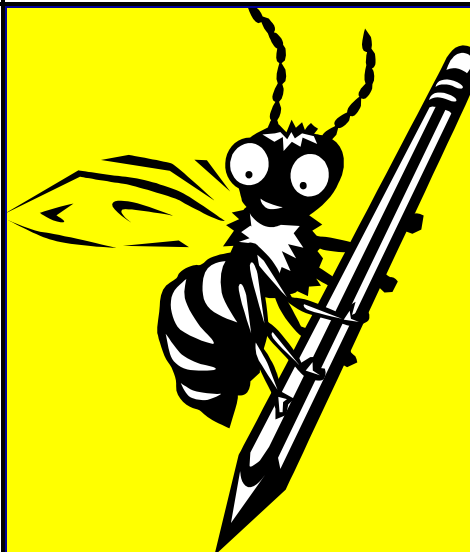

The students will continue on how to find the length, weight, time, and temperature of an object. How are these measurements different? How are they alike? Which objects are used to discover each type of measurement

Reading

The students will be finishing Theme 4.

We will revisit organizing events, comprehension, re-telling the story, and determining the main idea of the story by discovering supporting details. The students will need to display understanding of these concepts through formal assessment.

Teacher's Corner

Dear Parents,

We are coming to the end of our second quarter. I will be in contact to schedule another conference to discuss you child's improvements.

Thanks,
 Mr. Zebro

Writing

Students will be keeping a daily journal. Our journal should follow our theme, with some free writing. During our theme the students will be writing about the season and the different traditions they

Social Studies

SW discuss Unit 3: Ways of Living

Students will discuss Families from places around the world, and how they live differently, explore other cultures, and investigate traditions around the world.

January 12th– Spelling Test

January 13th– No School
